Summary: The trustee board convene via Zoom on Monday, April 26 at 7:00 p.m. The purpose of the meeting was to review and discuss the school's disability policy and to introduce our new Trustee Board member.

Our new Trustee Board member, Mr. Antonio Lawson, was introduced to the board by Chairman Greg Thomas. Chairman Greg Thomas and Chancellor Freddie Thomas presented him to board and spoke highly of his credentials, and how he will be an important asset to our board. Mr. Antonio Lawson was provided with information about the board and its duties. He was appreciative of the opportunity and gladly accepted the position to serve.

The remainder of the meeting was devoted to the review of the policy and its implementation process. There were several revisions proposed by the Trustee Board members and the discussion of special positions, ADA coordinator/coordinators and section 504 coordinator. These positions are needed to stay in compliance and to execute the accommodation procedures for student/students with a disability. Chairman Greg Thomas agreed to serve as the section 504 coordinator, ensuring the school will comply with the laws outlined in the American Disability Act and section 504 Rehabilitation of 1973. Dean Thomas informed the board about a potential

candidate to serve as an ADA coordinator. She will conduct a formal meeting with the candidate and present the outcome of the meeting with the board along with an invitation for the coordinator(s) to be introduced and interviewed by the board.

The AIHC-SBS disability policy received final approval from the Trustee Board contingent upon the revisions made to the policy. A follow-up meeting will be scheduled to review the final revision of the policy and to introduce the individuals who have accepted to serve in the special role of an ADA coordinator/coordinators.
